Dear Colleagues:

El Camino High School will again be hosting our three-day North County Band & Orchestra Festival. The dates for this event are March 4th – 6th 2010. We will offer 72 groups the opportunity to perform. Attached is the schedule from last year with this year’s date. After the district schools respond I would like to give you a chance for the same time as last year if that works for you. If last year’s time is best please let me know. If you need a different time please list your first, second and third choice below and I will do my best to give you those times. On Jan. 8th, I will give open spots to new groups requesting times.

Thursday Mar. 4th will be a Band day, Friday will be mostly Orchestras, with an Orchestra Showcase in the evening and our Wind Ensemble showcase will be on Saturday evening. Of course you may request any day that is convenient for you and your organization. Oceanside District Schools have priority for times. Don’t delay, please respond by: **December 22nd**. If we don’t hear from you we will assume you will not be attending this year.

Make checks payable to SCSBOA in the amount of \$150.00 for each group you are bringing. Checks are due Jan. 22nd, 2010 to secure your time.

You may contact us by phone 760 757-7095, or e-mail: mark.lowery@oside.k12.ca.us
